14 this land was made for you and me

As I was walking that ribbon of highway,  
I saw above me that endless skyway.  
I saw below me that golden valley.  
This land was made for you and me.

I've roamed and rambled, and I followed my footsteps  
To the fir-clad forests of her mighty mountains..  
And all around me a voice was sounding  
This land was made for you and me

When the sun comes shining and I was strolling  
As the wheat-fields waving and the dust clouds rolling  
As the fog was lifting, a voice was chanting  
This land was made for you and me.
